

## ENVIRONMENT / H & S OBJECTIVES

---

The objectives outlined have been set at Management Review. Performance is monitored at monthly Environmental / H & S meetings.

### **Environmental**

1. Review and reduce delivery fuel consumption by 5% from 2009 levels
2. Monitor Subcontract vehicle miles per door delivered.
3. Achieve a paper usage reduction of 5% from 2009 levels.
4. Focus on the carbon trust action plan.
5. Achieve 5% reduction at Malvern & Upton for Electricity, Gas usage from 2009 levels
6. Document recycled waste as a % vs waste to landfill.
7. Remove a proportion of the Hazardous waste cost from the business by removing Aerosol hazardous waste.

### **Health & Safety**

8. Improve H&S performance by achieving no major RIDDOR accidents.
9. Maintain 3 day reportable RIDDOR accidents at no more than 2 per year.
10. Reduce accidents from previous year, no more than 20 accidents.
11. Investigate all 3 day reportable accidents to the same level as a major accident.
12. Aim to reduce the need for a noise zone at Upton and review the noise engineering controls for Malvern

Employees are made aware of these objectives when joining the Company. Copies of this document are also posted on all notice boards together with progress updates.
